

CAD FILE:

SCHEMATIC (NON-SHORTING)

MODEL NO.  
T2-122025-GKNOB(G/VG)  
(2~8)mm

P.C.B. LAYOUT

## SPECIFICATIONS

|                    |               |
|--------------------|---------------|
| Rating             | 0.3A 30V DC   |
| CIRCUIT            | 1P2T          |
| Timing             | NON-SHORTING  |
| Travel             | 2.0mm         |
| Contact Resistance | < 100 mΩ      |
| Operating Force    | 250gf ± 100gf |
| Operating Life     | 10,000 cycles |

|     |              |                |      |           |                                                                                  |                                                                                                                                                                                                                                                  |                          |  |                               |       |           |
