P.C.B. LAND PATTERN

| MODEL NO.      | XX       | H     |
|----------------|----------|-------|
| T6-6060CS-XX-H | 10=100gf | 7.3MM |
|                | 13=130gf |       |
|                | 16=160gf |       |
|                | 25=250gf |       |
|                | 32=320gf |       |

CIRCUIT DIAGRAM

## SPECIFICATIONS

|                       |                                              |
|-----------------------|----------------------------------------------|
| Rating                | 50mA 12V DC                                  |
| Travel                | 0.25±0.1mm                                   |
| Contact Resistance    | ≤ 100 mΩ                                     |
| Operating temperature | -20℃ ~ 70℃( 45% ~ 85% RH )                   |
| Operating Force       | 100±30gf/130±30gf/160±50gf/250±50gf/320±50gf |
| Operating Life        | 100,000 Cycles                               |

|     |          |           |      |                |                                                                                  |                                                                                                                                                                                                                                                  |                          |                               |       |           |  |
